

1st Knottingley Rainbows, Brownies and Guides

The girls have been busy working on Skills For My Future. Just a taste of their activities are given below.

Rainbows have learned about money and how to keep it safe and they have had lots of fun doing experiments.

Brownies have laughed a lot and built dens to think about safety on line, made superhero costumes from newspaper, practised tying knots and made a lift - every group made a lift that worked!

Guides have thought about different ways of voting, made a fizzy sherbert (enjoyed with a lolly) and made butter, which I was reliably informed tasted great, well all the crackers were eaten!

The girls will be supporting the Remembrance Day Service and we hope to join other units on a trip to the cinema.

Our coffee evening is on 17 November, 6 - 7 pm. Everyone will be welcome to come along and help us raise funds to go towards resources, badges, annual subscriptions (over £1000 per unit) and hire of the hall.

Lots more fun, learning and challenges ahead. If girls would like to join us they just need to register on the girlguiding website.
